

January 12, 2011

Dear Friends,

This year, 2011, marks a significant milestone for the SECSA as we celebrate our 30th anniversary. It is a time in which we should pause and take note of the many accomplishments we have achieved as an organization. Knowing we've made a difference in the lives of crime victims and their families is, perhaps, the greatest satisfaction. Along the way, we gained so many new friends, visited many wonderful places and shared more information than we could ever have imagined.

We have grown together as a family and we have proven to be a great asset to the communities in which we live and work and still, we continue to strive for a safer place for all who travel in our paths.

To those who created our foundation in 1991, to those who chose other paths but left a wealth of knowledge in which we shared, to those who are present and share their passion to improve our organization, and to those who have been given wings and now provide us the guidance needed to continue a creative and productive future, we share a heartfelt thank you!

Your hosts from Charles County, Prince George's County and Washington, D.C., welcome you to our "homes" and wish to provide you with an anniversary celebration of which you will not soon forget.

"CELEBRATING OUR PAST AND PLANNING FOR OUR FUTURE"

Sincerely,

Bird Peacock (Washington, DC), *Tim Murphy* (Charles & Prince George's Counties),
Betty Jean Turner (Charles County), and *Zel Windsor* (Prince George's County)
